

**New Non-Payment Violation Notices**

MBTA Parking will be issuing a new violation notice for non-payment of parking fees starting in early November. We will no longer be issuing a yellow envelope. We will issue a red and white water proof paper notice with black lettering. The notice will include all pertinent information regarding the violation. You will be responsible to make violation payments on-line or mail to the address on the violation. Late payment drop boxes will no longer be available. As a reminder, unpaid outstanding balances will result in referral to the Registry of Motor Vehicles for license and registration non-renewal.

**Partial Closure of Salem Station Parking Lot**

The MBTA Salem Station Parking Lot will be closing approximately 225 parking spaces effective **Monday, November 5, 2012**. The parking spaces will be closed 6-8 weeks for archaeological field excavation of historic underground structures. Additional parking is available at North Beverly Station, Montserrat Station, Swampscott Station, and Lynn Garage.

**Savin Hill Station Parking Lot**

Effective January 1, 2013, the MBTA will implement a \$5.00 daily parking fee at Savin Hill Station parking lot. An honor box will be available for cash payment. Also, pay-by-phone will be available through [www.parkmobile.com](http://www.parkmobile.com). No checks accepted.

With over **55,000** available parking spaces in **103** locations, the MBTA is the largest owner of off-street paid parking in New England. Most of the parking options are MBTA-maintained, while others are owned and operated by municipalities.

- **Daily Parking** rates range from \$4 - \$7 per day.
- **Monthly Parking** permits and pay-by-phone options are available at many parking facilities.
- **Overnight Parking** is available at a limited number of facilities with a special overnight rate charged at some locations. There is a seven day maximum for overnight parking.
- **Winter Parking:** After snow accumulation during the winter months, MBTA parking facilities implement their Snow Policy and you are not required to pay in advance. Visit Winter Parking for more information regarding the Snow Policy.
- **Surcharges:** A \$1 surcharge will be incurred for customers who do not pay in advance. Failure to pay the full parking fee and \$1 surcharge within three calendar days will incur an additional \$20 surcharge. Visit Parking Regulations for more information regarding parking fines and surcharges.
